

# Pirates Week Special

CREATIVITY : HERITAGE : EDUCATION

Meet Pirate Jim and Pirate Sam. Cut out the puppets and tape tab A to tab B. Then slide a puppet on the middle finger of each hand. Use these finger puppets to tell the story of "The Good Pirate".

# THE GOOD PIRATE

By Auntie U

**Pirate Jim**

I'm Pirate Jim. I'm big! I'm ugly! I'm mean and I'm BAD!

**Pirate Sam**

I'm Pirate Sam! I'm small and I'm your best friend.  
You're NOT bad!

**Pirate Jim**

Oh yes, I am! I'm a frightening pirate! AARRG!

**Pirate Sam**

Stop saying that! Your Momma didn't raise a bad, mean son.

**Pirate Jim**

That's very true, but I'm hungry! AARRG! The other pirates on my ship are hungry too. I'm going to take all the food I can find on this island and carry everything back to my ship.

How are you going to do that?

**Pirate Sam**

I'm just going to grab up all the delicious stuff that people have in their kitchens, pack everything into my bag and nobody is going to stop me! AARRG!

**Pirate Jim**

You're going to TAKE all their food? You're going to STEAL all their food?!

**Pirate Sam**

I'm BIG and I'm STRONG! You see this dangerous hook?

**Pirate Jim**

Oh, no! Your Momma taught you right from wrong and stealing would be very wrong.

**Pirate Sam**

Well, how am I supposed to get food?

**Pirate Jim**

**Pirate Sam**

Why don't you buy some food?

**Pirate Jim**

Well, I AM rich, and I do have a lot of GOLD. That's a good idea! I'll buy me a cow. I'll buy me TWO cows! Then I'll have a big party for all my hungry pirates and myself!

That's a wonderful plan! You could also invite the Caymanian people to your party. You can call it Thanksgiving Day in the Cayman Islands.

**Pirate Sam**

**Pirate Jim**

What do you think my Momma would say about my plan?

**Pirate Sam**

I think she would say, "My son, you're a GOOD pirate!"

**THE END**

TIME FOR SOME COLOURING!
